CIRCULAR

Sub: Revision of ceiling costs on dengue tests performed in Private Hospitals – Reg.

Ref: Circular dated 21/7/2015 & Proceedings of meeting convened on 23/9/2015.

As per proceedings of the “Meeting convened to contemplate on the costs of Dengue Tests under the Chairmanship of Commissioner Health and Family Welfare on 22-09-2015 at Krishna Hall, DHS, Bangalore – 09”. The corium involving the Officers from Directorate of Health & FWS and representatives from Association of Public Health care Providers, have agreed to revise the test Dengue cost considering the, community demand for dengue, actual costs incurred and the ongoing epidemic of Dengue.

As per proceedings of the above meeting, it is hereby instructed that all Private Health care facilities providing the dengue test facility should follow the ceiling prices as notified below.

1. Rs 250/- to be charged for each parameter (IgM and NS1) if Elisa method is followed. As per guidelines IgM and NS1 tests are confirmatory for Dengue.
2. Rs 250/- should be charged for conducting the panel of three parameters (IgM, NS1 and IgG) per patient in case of Rapid card test. However it is to be noted that rapid card test are not confirmatory tests as per GOI guidelines.
