1. The allegation in the Complaint Petition is that the Respondent is giving effect to the FastTrack Connection Scheme dispensing with the requirement of mentioning the name and address of the LEC with whom the consumer intends to get the internal wiring done, even before amendment to the CoS is issued by the Commission. It was sought to direct the Respondent to adhere to the existing requirements of CoS.
2. We note that the Amendment to Clause 4.03 (ii)(d) to provide for the above simplification measure has been brought about in the 6<sup>th</sup> Amendment to CoS dated 27.12.2017 after its draft was notified on 17.07.2017.
3. In view of the above, the Complaint Petition does not survive for consideration.

Dismissed accordingly.
