In the matter of:

Authorizing the ESCOMs to execute the SPPAs in respect of
change in the name of the Generator.

Preamble:

The Commission has been frequently receiving the SPPAs for approval of the Commission in respect of change in the name of the Generator as per the Government Order. However, it is observed that the ESCOMs/Generators are submitting the SPPAs with delay for approval, resulting in further delay in making the payments to the Generators. The change in the name of the Generator is a routine process and the ESCOMs can be authorized to approve. Hence, the following order:

ORDER

The Commission hereby authorizes ESCOMs to execute the SPPAs without taking approval of the Commission in respect of change in the name of the Generator.

This Order is signed and issued by the Karnataka Electricity Regulatory Commission at Bengaluru, this day, the 6th day of July, 2022.
