Fax : 22971512

GBC(1)151/2016

Dated:10-08-2018

**OFFICE ORDER**

As you are all aware that Agni 2 was launched to minimize the time involved in service delivery and also to bring transparency by the Fire department. In this regard we had implemented an auto scrutiny system where your plans were automatically scrutinised as per the zonal regulations in the centralised auto cad server, after you creating the APZ file for your respective drawings. After its launch on 1st of May 2018 the technical persons & builder community expressed difficulty in using Auto Cad Author tool for some of its functionalities.

The department on 1st of June 2018 decided not to insist for APZ files, and started accepting PDF files of the drawings due to difficulties being faced by the users. Now after addressing the issue a decision has been taken to stop accepting of Non-APZ files.

This is to bring to your notice that the department will accept Non - APZ files upto 19th August 2018 only and it is mandatory to apply only in APZ format from 20th August 2018 onwards.

A handwritten signature in blue ink, appearing to be 'Sri Anil Nayak', with a checkmark to its left.
